---

December, 2006

Dear Flag and Tackle Families,

We are writing to you as a member of the Barrington community asking for your support.

The Barrington Youth Football program is organized as an Illinois Not-For-Profit Corporation to provide the youth of the Barrington community and District 220 the opportunity to participate in an organized youth football program prior to the competitive environment of high school football. Programs are offered for both tackle and flag football. BYF's mission is to provide the opportunity for Barrington area boys and girls between the ages of five and fourteen to learn the fundamentals of football and participate in an organized, competitive program with participants of similar age and size. BYF works hard to create an atmosphere where every participant has the opportunity to succeed, make friends and have fun.

BYF's tackle teams compete in the Tri County Youth Football League (TCYFL), competing against teams from nearby communities. The tackle program offers two options, with "Big 10" teams playing competitive football and "Pac 10" teams emphasizing instructions, equal participation and fun. The flag program promotes fun and equal participation in a competitive "house league" environment.

We believe that there is a high correlation between the development of the skills that are learned through participation in team sports and success later in life. As such, we emphasize physical fitness and good citizenship based on personal effort, teamwork and good sportsmanship.

All costs associated with operating our program, along with participation fees, are derived from donations from community members. All funds go toward the betterment of the program, including equipment, uniforms, field maintenance, referees, etc. We have also invested funds to purchase scoreboards, bleachers, and to make other necessary improvements. Participants whose families might not otherwise be able to afford the normal fees may qualify for need-based scholarships offered by our program and its supporters. BYF is operated and managed by a group of dedicated volunteers (directors, coaches and team helpers) who give their time and efforts to make the program a success.

Your financial support may qualify for favorable tax treatment. Consult your tax professional for details. If your employer offers matching contributions, please check to see if your own support of BYF can be supplemented with additional corporate contributions.

We ask that you please fill out and return the enclosed donation form. Visit our website at [www.barringtonbroncos.com](http://www.barringtonbroncos.com) to learn more about the program and to share in the excitement. We sincerely appreciate your contribution and support as we enjoy our 43rd season.

Sincerely,

The Board of Directors  
Barrington Youth Football, Inc.
